

As a listener of K-Love radio, I am writing in support of keeping this station on the air. As a Christian in community with others, I have a family through the radio because I know other listeners who hold the same values I do are listening with me. This is the only Christian radio station in my area, so the loss of K-Love would be very detrimental for everyone in this area, as we would lose the unity we have with others. K-Love is a wholesome station, one I can listen to without any worry about negative or sexual content, no cursing - only positive and encouraging music. I believe it is in the public's interest to keep such a positive and wholesome station on the air, as young and old people would have something to listen to which promote positive family values. Thank you.
